**LIONS CLUB** sponsored White Cane Days, Oct. 4 & 5, are set aside for collection of aid for the blind. Posing here as a reminder of the many needs of the blind, is "Priscilla," newly trained seeing-eye dog and mascot of the 1963 White Cane drive. An arduous three months are spent training these female German Shepherds; a month of which is devoted to combined schooling of blind owner with the dog. It's costly but rewarding. The blind become extremely attached to their guide animals. Sadly, too, man's inherently longer life span may require replacement of the dog more than once. White Cane funds provide many other requirements of the blind and sight-impaired: diagnosis, medical care, glasses, surgery such as the amazing cornea transplant, Braille training and Braille writers and special training and recreation for blind children. Lions collect their White Cane contributions around community traffic areas, or, a contribution may be sent to your local Lions Club via the Postmaster in your city.
